The best Bartender in Fayetteville, NC

The service Naomi and her team provided was amazing. She kept me informed when situations popped up. She provided service beyond what I asked and I couldn't have asked for a better team of ladies to help with my day. Thank you so much 😊 10/10 would recommend.

Naomi is an Awesome bartender. Everyone who attended the wedding reception LOVED her, we received WONDERFUL reviews from our guests and her cocktails was the best. My wife and I deeply appreciate your professionalism and your incredible ability to make a good drink. Your special drink and custom menu was "spot on" and I appreciate your suggestions for alcohol, ice, mixers and garnishes etc. Your attachments to your emails were VERY helpful..

Five ★'s all the way!! Naomi is the best!! She hosted our Halloween party of probably 150+ guests at an open bar. She was busy the entire night. She has a great personality and everyone, I mean EVERYONE loved her. She took care of everything for us and I highly recommend the TLC service. It is definitely worth purchasing. I could not have asked for any better service and love that she was entertaining to the guests as well. I promise you will not be disappointed and she will be bartending for us every year now. The other great thing is that she is very reasonable in price and will help you plan your event, even down to naming your drinks. We just absolutely loved her and was extremely pleased with everything that she did for us. BAR MISCHIEF IS THE BEST!!

I will use your service again and I will suggest it to friends. Thank you for working with us to make our neice wedding reception a wonderful evening. Hiring Naomi was one of THE BEST decisions we made for our wedding!!! My main goal for the wedding was for our guests to have FUN!! Since our wedding people have made a point to tell us how much fun they had and how much they LOVED Naomi (our bartender). The drinks were AMAZING, she made sure my groom and I always had a drink in our hand, and our guests loved her!! I swear I want to have another party just to hire her. [Read Less](#) ▲
